# The Iroquois Foundation

The Iroquois Foundation is an organization whose mission statement is as follows:

*The Iroquois Foundation seeks to encourage educational creativity and opportunities by helping to fund innovative, non-budgeted projects throughout the Iroquois School District*

Past projects that the foundation has been involved with are as follows:

*The Foundation assisted the Student Government Body with a donation to bring in Jared Campbell. He spoke to the student body about the power of dignity, self-worth, and tolerance.*

*The Foundation helped fund a Tribute Garden at the Campus*

*The Foundation contributed money to Football Boosters to fund the lights at Latimer Field*

*The Foundation contributed money to fund both the Elma & Marilla Playgrounds*

*The Foundation helped fund participation in the History Bowl*

*The Foundation helped fund Cheerleader participation in National Competition*

*The Foundation helped fund Etiquette Training for Iroquois Students*

*The Foundation assisted with the reconstruction of the workout facilities in the Iroquois Middle School*

*The Foundation organized a four-mile run honoring Veterans*

*The Foundation funded ITAC, a drug awareness initiative*

*The Foundation provided funds for teachers to attend a conference on Mindfulness Training*

*The Foundation coordinated the Annual New Year's Day Cross Town Hockey Celebration*

## History:

*In 1996, a group of citizens and alumni of the Iroquois Central School District (ICSD) founded The Iroquois Foundation. Over the years, the Foundation played an important role in providing some opportunities for students within the ICSD. The original Board Members slowly moved on to new projects and the role the Foundation played in the ICSD was minimized. On June 13, 2011 a reorganizational meeting was held and four interested community members got involved to "reactivate" this worthwhile organization. The Foundation is a tax-exempt organization comprised of a volunteer Board of Directors. This board makes all funding decisions and is autonomous.*
